As no oder proceeds from the preparation, the glove can be worn immediately after it is cleaned. With a piece of fiancel, apply a small portion of the preparation very lightly, and the dirt will instantly disappear. It is the article used by the Kid-Glove Manufacturers of France to impart that purity of finish and softness for which their gloves are so justly celebrated. It cleans hid slippers and white and colored hid-gloves elegantly. It is also an ex-cellent article for the toilet and for beautifying the comdexion, removing tan, pimples, &c., far exceeds in excel-ence any of the thousand and one preparations usually old for that purpose. One trial, at the triffing expense of cents, will convince any one that the article is all that it s claimed to be. Try a bottle of it for 25 cents, and you will never wish to be without it.
